

Middle .NET developer

Location: [Saint-Petersburg, Russia](#) 

About Me:

.NET developer with more than 4 years of experience in software development. Graduated from Lipetsk State Pedagogical University with a Degree in Applied mathematics.

Key technologies:

C#, Sitecore CMS, .NET, ASP.NET, JavaScript, AngularJS, Entity Framework, WPF, WCF, Winforms, RabbitMQ, Dapper, LINQ, T-SQL, TFS.

Work experience:

4+ years

Finished projects:

5

Summary:

I'm responsible, punctual, detail-oriented. My soft skills help me to cope with my work well and consistently get positive feedback on the developed solutions.

Besides, I have experience in developing and maintaining web sites on Sitecore CMS (I was certified in 2015).
