

Middle Golang developer

Location: [Cherkasy, Ukraine](#) 

About Me:

Golang developer with more than 3 years of experience in software development. Graduated from the Cherkasy State Technological University with a Degree in Information technologies of design.

Key technologies:

Golang, PHP, Laravel, Yii2,
JavaScript, Angular, AngularJS,
jQuery, PostgreSQL, MySQL,
HTML, CSS.

Work experience:

3+ years

Finished projects:

5

Summary:

On a personal level, I am highly motivated to apply my skills and expertise to interesting and rewarding projects for both myself and the customers that I serve. As growth potential I prefer to develop my skills mostly in Go and to get knowledge for front-end development with JS.
